## **Meet Our New Executive Director**

Lori Delgado-Match O'Connor, MBA, CFRE has devoted her life to helping others. She says, "she takes pride in the measurable impact in the lives of the people she serves."

Lori comes to the Habitat for Humanity San Gorgonio Pass Area with a diverse background in business, higher education, and nonprofit sectors. She brings her unique experiences in both asking and giving along with strategic thinking, sensible fiscal management, effective communication, team building, and facilitation to her work. She is a graduate of the University of Redlands, earning her Bachelor's in Business Management and a Master's in Business Administration. She achieved the industry standard credential called the CFRE - Certified Fund Raising Executive status in 2019, one of 5500 across North America and the World. Lori also holds a Certificate in Nonprofit Management from University of California, Riverside. Just before coming to Habitat for Humanity, she had been the Executive Director for the Grand Terrace Chamber of Commerce. She has spent several years working as a nonprofit specialist with various organizations in the Inland Empire.

Outside the office Lori's great passion is making a difference in the lives of children. As a natural problem solver, she always looks for ways to facilitate change. She has started various nonprofits in her community and has sat on numerous boards such as Bonnes Meres Auxiliary of Children's Fund and The Unforgettables Foundation. She brings her sense of purpose and philanthropy in everything she does.

## Making A Difference

Habitat SGPA Board of Directors is very pleased to say through the pandemic our small affiliate has remained resilient and able to continue our mission to help low-income people in our community with affordable housing.

We are currently in the planning phase of our 15th new home, which will be located in Banning, and are estimating construction to begin by the end of February beginning March.

Our Family Selection Committee is now accepting applications for a new deserving family and we currently have over 120 families on the waiting list.

Our A Brush of Kindness Committee was hard at work on January 29th helping one of our elderly veteran neighbors with fence repair and yard clean up.

A Brush With Kindness' mission is to help low income homeowners who struggle to maintain the exterior of their homes. A Brush With Kindness allows homeowners to reclaim their home with pride and dignity and at the same time revitalize neighborhoods and communities by building strong partnerships with local community businesses.
